EDUCATION

University of Texas at Dallas

3 years in B.S. Computer Science Program 90 credit hours

Richardson, TX

January 2021 – December 2024

PROFESSIONAL EXPERIENCE

Datacenter Operations - Affirma (BPO Services)

Plano, TX

Supporting Aligned Datacenters

Onsite

Datacenter Incident Operations Specialist

February 2026 – Present

- **Client Communications & Incident Messaging:** Served as the primary outbound communications function for Customer Success, delivering timely, accurate incident notifications and updates to clients supporting large-scale enterprise and hyperscale environments. Provided updates to internal leadership, ensuring consistent messaging throughout the incident.
- **Incident Coordination & Escalation:** Core contributor to incident coordination and stakeholder communications during a major single-data-center thermal event impacting enterprise-scale cloud infrastructure and customer-facing services.
- **Incident Response Automation:** Built a Copilot Studio bot backed by Excel-based persistent response records to standardize incident messaging, reduce manual drafting effort, and improve team response time by 50%+.
- **Incident Documentation & Reporting:** Logged and maintained enterprise-grade incident records in ServiceNow, capturing timelines, communications, and resolutions to support SLAs, audits, and post-incident reviews.

Paranet Solutions Managed Service Provider

Carrollton, TX

IT Systems Engineer

May 2025 – November 2025

IT Service Coordinator

December 2024 – May 2025

- **End-User & Client Support:** Delivered end-to-end support across multi-client environments, resolving high-volume tickets while consistently meeting SLA targets and coordinating complex escalations with vendors and internal teams.
- **Systems & Infrastructure Administration:** Administered Windows Server, workstation, and Linux systems (RHEL, Ubuntu/Debian) for 5,000+ endpoints, including patching, automation, security, and configuration management.
- **Healthcare IT & EMR Support:** Supported healthcare clients by troubleshooting Epic, NextGen PM, and NG Data Delivery EHR systems and medical device integrations, resolving interface and data delivery issues with minimal downtime.
- **Service Coordination & Scheduling:** Acted as primary coordination hub for the helpdesk: prioritized and scheduled work in ConnectWise, maintained on-call coverage, and ensured effective client communication.
- **Windows & Network Troubleshooting:** Provided real-time client support specializing in Active Directory, Windows deployments, RDP, switches, and firewalls, resolving hardware, software, and connectivity issues during live calls.
- **Helpdesk Operations & Tooling:** Led internal helpdesk operations by administering ConnectWise, supporting technicians, resolving internal issues, and managing tooling and process improvements.

Office of Information Technology at UTD

Richardson, TX

Lab Technician

August 2024 – January 2025

- **Operational Support and Troubleshooting:** Maintained General Access Computer Labs and Walk-In Help Desks, guided students on lab use, and performed equipment monitoring and troubleshooting. This helped ensure seamless access to resources for thousands of students each semester.
- **Customer-Focused Service:** Served as a point of contact for in-person assistance, demonstrating excellent customer service skills and patience. Educated users on campus IT resources and the Pharos Print Management System, improving awareness of campus technology and services.
- **Documentation and Process Management:** Documented user issues in the Atlas ticketing system to track and manage service requests effectively, contributing to process improvements and faster resolution times.

Walmart

Brownwood, TX - Norman, OK

Digital Personal Shopper

April 2020 – October 2021, November 2022 - January 2023

- **Rapid Team Growth:** First hire at the beginning of COVID-19 at the age of 16. I played a large role in scaling the department from less than 15 members to over 85, transforming it into the largest department in Walmart at the time.
- **Leadership and Collaboration:** Promoted to Team Lead in training at the age of 17, worked closely with management to optimize department operations and ensure daily targets were met. Completely owned closing operations.
- **Impactful Results:** Contributed to our Walmart becoming one of the largest digital departments in Texas at the time, significantly boosting the store's performance and reputation despite being located in a small town.

CAMP EXPERIENCE

Easterseals Disabilities Camp

Richardson, TX

Sky Ranch

Tyler, TX
